## Philanthropy, Scholarships, and More

To all of our brothers and alumni, we hope you've all had a happy and healthy start to your Summer! With many of us spending so much time at home, we've all had a great deal of time to appreciate the importance of family and community. With that being said, we'd like to give everyone an update on our planned philanthropy events for Fall as well as an upcoming scholarship we are excited to announce.

First and foremost, our cornhole tournament initially planned for Spring 2020 has now been rescheduled for this Fall. We plan to hold the tournament on September 27<sup>th</sup> and all funds raised will go to the Children's Miracle Network. We intend to sell entry fees into the tournament, meal tickets for food and drinks, and t-shirts.

We also intend to begin our first ever annual scholarship. The name is still to be decided, but Phi Kap would like to offer two incoming male freshmen a scholarship of \$1,000 for each recipient. There will be an initial application process followed by a select few being chosen for interview. Recipients are not required to join the fraternity to receive our scholarship, only to have an at least 3.5 high school GPA to be eligible to start the application process. We expect to post the applications to our website soon, so please make sure to let any young men planning to start their freshman year here at UGA know to check out our website or reach out to any of our exec members!

Lastly, as a part of our ongoing renovations we'd like to invite any alumni to the chapter house for two summer work days. These work days will consist of brothers and any willing alumni of the fraternity working together to improve the conditions of the chapter house. Both days will serve as a great opportunity to meet active brothers and have a great day of comradery. We will have these work days on both June 20<sup>th</sup> and July 19<sup>th</sup>. If you would like to join us, please RSVP with our head of fraternal Nick Shook at [vpfraternal@ugaphikaps.org](mailto:vpfraternal@ugaphikaps.org) so that we can provide food for everyone.

With that being said, this will be our last monthly update for the next few months. The next full newsletter will serve as an update for the beginning of our Fall Semester. If you have any questions in the meantime, feel free to find us on our social media accounts or contact our exec members. We look forward to meeting many of you at our upcoming events!
